Dear Parents,

Just what is a tax credit? Arizona law says that any school can give you a piece of paper that will reduce your Arizona Tax by the amount you donate. The money goes to support a field trip for your child's class. It is that simple. The law says that a married couple can donate \$400 and a person filing taxes as a single individual can donate \$200 to the school for 'student activities'. We will mail you a receipt and we will have more funds for field trips, music programs (and equipment), and for other after school activities. You can even designate that the money goes to a special activity, or even be credited to an activity fee for your child. You may want to check out the state brochure at www.revenue.state.az.us or see ARS 43-1089.01.

What benefit do you get? Your children get to participate in more field trips and programs (that you would probably support anyway) and the AZ revenue services gives you credit on taxes paid. The tax credit law requires schools to use the tax donation for student activities. For Visions students, that means field trips, special music programs and a sports program. The state has given you the power to take the \$400 from their funds and assign it to student activities at Visions Unlimited Academy. So, act now; it is up to you to determine who gets that money.

Send the check before December 31 or before and our receipts will be mailed to you before January 15. Make the check payable to Visions Unlimited Academy and bring it by the office or mail it to the school address above.

Thank you for your continuing support and help at the school. If there is something I can do for you, please do not hesitate to contact me.

Sincerely,

Richard Valentine
